Would you like to offer Cambridge English Exams to your students ?

Flying Teachers® is a Cambridge English Examinations Centre and would be glad to help you prepare your students for Cambridge Exams.

Our Teacher Training Department will help you with:

- Course programmes for exam preparation courses
- Detailed lesson plan documents to help you teach all the exam parts and make your students aware of exam strategies
- Training focusing on how to assess your students' speaking and writing skills

We will also be glad to organise the exam for you at a place that is good for your students. Our trainers are bilingual and all the training can be offered in English or German.

How to become a Digital Trainer – CHF 915.–

Are you ready for the technological changes in the job market for language teachers?

Join our workshop to find out about the skills, knowledge, digital tools and resources that you will need to design and deliver effective online lessons. This course will help you better understand how to adapt your face-to-face teaching skills to an online environment. Upon successful completion of this workshop, you will have covered the first stage of the Flying Teachers Certificate for Digital Trainers. The next steps will be a lesson observation (Stage 2) and proof of work (Stage 3). The cost of the observation report is included in the fee for this workshop and the observation must take place within six months of the course start date.

Zurich or Berne Time and date as per agreement.
